## Environmental, Health and Safety Policy

We, BP Plastics Sdn. Bhd., have a strong commitment to Environment, Health & Safety at our workplace and integrate EHS policies into our daily business operations. We are dedicated to maintain the health and safety of employees, suppliers /contractors, customers and neighbours, as well as preserving the integrity of our environment.

We continue to recognize and exercise our responsibility to:

- conduct ongoing identification of hazards, the assessment of risk, and the implementation of necessary control measures.
- conserve environment and strive for continual improvement together with our Employees.
- comply with local environmental / health & safety legislation, RoHS and other requirements in order to reduce environmental pollution and to minimize industrial hazards and risks.
- control manufacturing activities as well as raw materials which may give rise to any potential environmental impact and to eliminate unhealthy and unsafe conditions or practices with a view to prevent ill health and to avoid occurrence of accidents and injuries to persons at the workplace.
- promote energy saving, waste reduction and recycling of waste materials in order to conserve natural resources.
- Continual improve provide appropriate environmental / health & safety training to persons working for or on behalf of the organization in order to reduce environmental impacts and to improve their Health & Safety. We are committed to continual improvement of Environmental Management System and Occupational Health and Safety System.

We have organised our management resources to execute appropriate activities to meet our Environmental / Health & Safety Policy.

BP Plastics Sdn Bhd is responsible to develop its Environmental / Health & Safety Objectives & Targets and Environmental / Health & Safety Management Programmes to meet local statutory and operational requirements.

Environmental / Health & Safety Policy will be made available to public, customers, suppliers and any other interested parties upon request or whenever necessary.
